How We Will Partner for Your Success

- We will work closely as you launch so that you and your OLC team build the knowledge, process and confidence you need.
- Metrics that Matter – once monthly for 30 min with all partners to review performance and assess needs in the first 3 months.
- Patient Experience Data- configuring your program and working with your center team to implement in the first two weeks.
- Continuing education and clinical advancement of your team.
- Providing content and support for your extended network building, community outreach efforts and social media presence.
- Ongoing connection, we are just a phone call or email away!
