

Building Referral Volume

- **Your Clinical Practice**

The priority is to develop streamlined process to refer your post-op and non- op patients for laser therapy.

- **Extended Network Referrals**

Continue growing census by sharing laser therapy with providers in your personal and referral networks.

- **Community Outreach**

Serve your community by building the OrthoLazer brand with P.T's, AT's, chiropractors, coaches, athletes and patients struggling with pain and dysfunction.
